The Mood

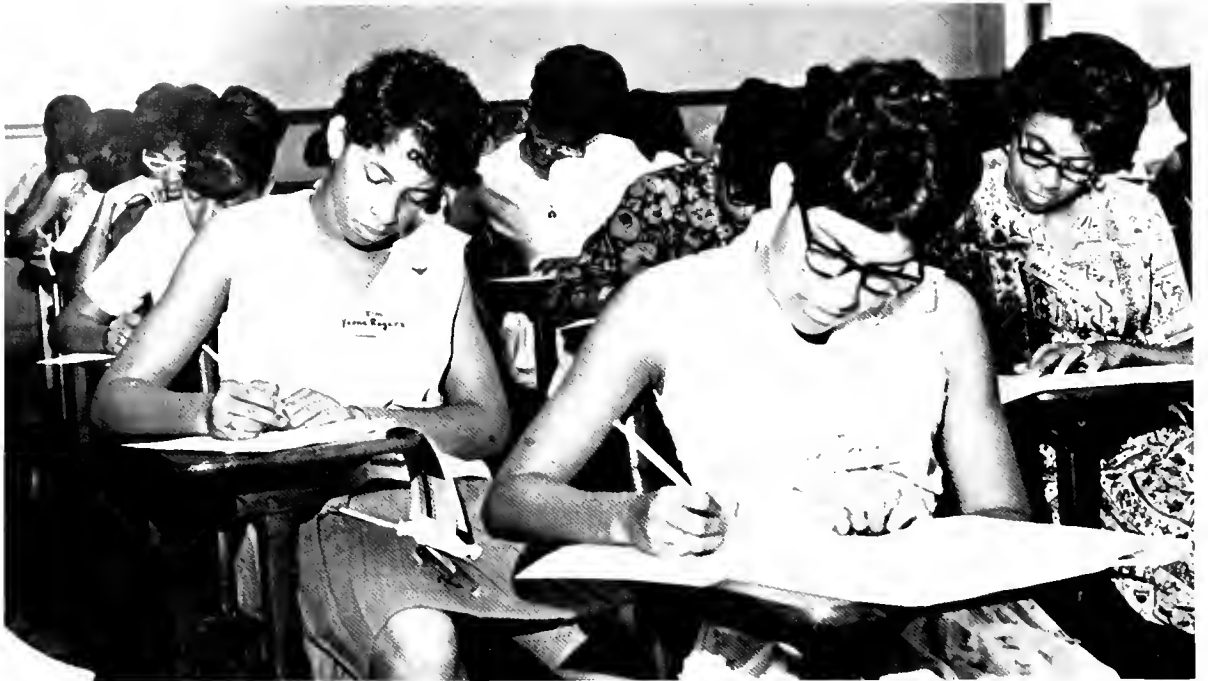

THE MOOD

Let this be the mood of the forming years.
Fear and Adventure walk here hand - in - hand.
Fear fearing with big, sad, and lonely eyes,
And Adventure wondering, excited!
These twins are soon replaced by another.
Cold Work and her task - master dank Study,
Unyielding and demanding all the best.
Then sweet limpid Joy relaxes from Work
By dipped water babies and spritely nymphs.
Joy closed in by Love so cozy and warmed
Viewing the world through a rose looking - glass,
Or singing loud, fast - moving songs of youth,
'Til the lights of knowledge flicker again.
Pins and needles of anticipation,
And the searching look through the forming years.
Then let us ball, but not without thanksgiving.
Let us dine in the white feast fantasia,
And eat though passing through the forming years.
Sweetest of Madonnas, maidens fair and mild
Of whom angels shout in prophetic songs,
Which tell of the joy of the Christ - like spirit.
Grant our giving of illumination
To others in their forming years.
Grant our knowing in graduation
That ours was the mood of fresh, green - winged youth,
And that ours is not to stop, but proceed.

Alma Mater

Bennett, now our voices raise,
Harmonies of grateful praise;
We, thy daughters find thee fair
Loyally thy colors bear,
Truth and honor in thy halls,
Faith and love within thy walls;
Ever dear to us thou art,
Firm within each loyal heart"

CHORUS

Alma Mater, now we sing,
Hail the light that thou dost bring;
True we've been throughout the past;
True to thee while life shall last.

May we never smirch the good
Gendered here in sisterhood
May we ever choose aright
Guided but by honor bright;
Ever lovelier shalt thou live,
As thy daughters freely give:
Ever glorious above,
Testimonies of our love.

'Til the evening shadows fall,
'Til we heed our last clear call,
Mother, may we offer thee
Lives of worth and purity?
Go with us throughout the years,
Smile on us in doubts and fears;
Bless us with thy tender care,
Mother--fairest of the fair!

Dedication

To you, Mrs. Susie W. Jones, we the members of the Yearbook staff wish to express our fondest admiration. As wife of our former president, the late David D. Jones, Mrs. Jones came to the college in 1926. She served in various capacities including Counselor to Freshmen and Director of Admissions up to her retirement last June, 1964. Her qualities of understanding, friendliness and inner beauty radiated throughout the community. We take great pride in dedicating this, the 1965 Bennett Belle, to a person we all love and respect--Mrs. Susie W. Jones.

ADMINISTRATION and FACULTY

Dr. Willa B. Payer

For the past several years, we have been pleased to have a Yearbook Staff to record the style of life at Bennett through a publication of prose, poetry and photography. It seems to me that a printed description of campus living helps to cement relationships in our memories throughout a lifetime. It reinforces our history, also, for those who will interpret Bennett in years to come. The informality of a Yearbook adds fun and local color to such interpretations. Many will inquire, even we ourselves - "Is this the way it happened in those days? History really does repeat itself." Perhaps this thought has some relationship to the Yearbook theme, THE MOOD.

We are especially appreciative of the fact that this Yearbook is dedicated to Mrs. David D. Jones. Her inspiring leadership of many years in creating the Bennett we know furnishes the radiance imbedded in our history. We wish to thank the Staff and all the members of our campus community who contributed to the authenticity of the Yearbook. It is our hope that many hours of enjoyment will come to each of us from reviewing the life at Bennett portrayed now in retrospect.

The Editor wishes to express her deepest appreciation to all who have helped us in this endeavor. We sincerely hope that this-- the 1965 BENNETT BELLE --will stand as a memorable keepsake of our college experience.

TO OUR GRADUATES

Together we study
For four happy years.
It's a fond destiny
That "thrice-born life" endears.

Probe atomic secrets;
Scan ultimate goal;
Seek ye righteous tenets;
Search first truth of the soul.

The Science of Society
The whole world to care.
Science of humanity,
Welfare for all to share

Let this be our lecture:
Work with might and main;
Win learned friends through culture;
Keep love with friends' blessed chain.
